SUMMARY

Industrial Design undergraduate at NUS (BA, expected May 2029) with a Mechanical Engineering diploma from Ngee Ann Polytechnic (GPA 3.89). Brings engineering rigour from a plant commissioning internship and from leading a crew of 9 as an Armour Engineer, now applied to product design. Seeking a product design internship.

EDUCATION

National University of Singapore Aug 2025 to present
Bachelor of Arts in Industrial Design, expected May 2029

Ngee Ann Polytechnic Apr 2020 to Mar 2023
Diploma in Mechanical Engineering, GPA 3.89, graduated with Merit

- Director's List: Years 1.2, 2.1 and 2.2
- Best Performance in Integrated Real-World Project 4
- Diploma Plus in Advanced Engineering Mathematics

EXPERIENCE

Process & Mechanical Engineering Intern, HSL Constructor Pte Ltd Mar 2022 to Aug 2022

- Tested and commissioned water reclamation plant systems, checking that equipment met operational standards before handover.
- Collected and analysed performance data to verify equipment, find faults and troubleshoot issues.
- Worked with process and mechanical engineers to improve process and mechanical functionality.
- Coordinated across disciplines to resolve technical problems and keep commissioning on track.
- Documented test results and wrote reports in line with industry standards and safety regulations.

NATIONAL SERVICE AND LEADERSHIP

Armour Engineer, 38th Singapore Combat Engineers Jul 2023 to May 2025

- Led a crew of 9 as In-Charge of the Hunter Armoured Vehicle Launched Bridge (HT-AVLB) across multiple missions.
- Led and supported outfield operations with other units, including 41 SAR, 48 SAR and 39 SCE.
- Received the Silver Bayonet Award and completed the Engineer Platoon Sergeant Course (EPSC).
- Took part in National Day Parade 2024.

VOLUNTEERING

Planning Committee, Walk for Rice Oct 2024 to Jan 2025

- Helped organise and promote a FairPrice community event, and tracked distance walked by each person in the battalion.

Volunteer, 4S Active Ageing Centre Feb 2025

- Packed and gave out 200 food supply sets in the Eunos estate.

SKILLS AND INTERESTS

- **Design and tools:** Rhino8, Fusion360, Figma, 3D printing, Adobe illustrator
- **Languages:** English (native), Mandarin (basic)
- **Interests:** Cycling, running, frisbee, basketball
